Thanks Valois.

Adele: we would like these signed by Darcy/Bert tomorrow. These 15 letters are all very similar regarding tribal consultation on Dewey Burdock.

Omar says he will finalize the letters tomorrow and asked me to print the final versions out and place the letters in the folders he has already prepared. The letters will be ready tomorrow for review and concurrence.

Douglas,  
I believe these letters are still being reviewed and edited on Omar's SharePoint. I just heard from Paul that he added his final edits. I think Lucita still needs to review them.

Hi Carolyn: have you seen this set of 15 Dewey Burdock consultation letters or know where they may be in the routing process? I am not sure if I can get a hold of Omar today.

Thanks,

Thanks Omar: can you update us on whether these are with Darcy for signature yet? If we don't hear back from Kim I think we should move forward since these letters are very similar to the previous ones we sent.

Sounds like a plan.

Once I get the scanned copy (of the signed letter) from Carolyn, I will:

Attached each signed dated letter to an email to Douglas or Sarah, and  
include the tribal leader email address associated with each letter

Omar,

I think it would be helpful to pull out the email addresses from the contact list I sent you  
Attached each signed dated letter to an email to Douglas or Sarah, and  
include the tribal leader email address associated with each letter

to make it easier for Douglas or Sarah to send the email to the tribal leaders.

I usually send the emails to the courtesy copy list. Here is an example of what I said in my last email to the courtesy copy list.

Mr. Catches Enemy and Mr. Janis,  
Please consider the attached letter to be your courtesy copy. Kimberly Varilek, our Senior Tribal Advisor to the Regional Administrator, will email President Bear Runner his courtesy copy of this letter next week when she returns to the office.

Then, please cc: me, as well as the assigned TAB TPM for that Tribe so we're aware of the correspondence.

Let me know your thoughts on this, and I can either help engage the team or we're happy to defer.

Thanks! – Kim V.

Hi Kim: given the volume of outgoing emails and letters to these 15 tribal nations, would you prefer that we assume this workload on your behalf? If someone other than yourself emails the pdfs to the Chairpersons, should that be either myself/Sarah/Darcy (rather than our secretary Carolyn)?

Thanks,

Douglas

Paul/Lucita/Kim,

There are 12 letters for your concurrence. The enclosures are in the folder "Enclosure". Let me know when you have completed your review to update the routing tracker. Thanks!
